Match Report

Wyboston Lakes welcomed us back for the second year running and it was pleasing to see that the course was in much better condition than last year. The weather also stayed fine for the two days which is always a bonus.

The best part of this fixture was welcoming back Cpl Kirsty Kennedy and LCpl Bethan Parker into the fold after time away on Operational commitments, they have been sorely missed and we are over the moon to have them back with us.

The stand out performance was SSgt Kim Glynn who made a fantastic Eagle on the 9th in her singles match, knocking it in from 130yds, playing 1 over gross through the front nine.

As always each match was played in great spirits with the friendly rivalry playing its part, however I am pleased to say that we came out on top with an overall 8-4 win, next year the Army will host.

WO2 'BK' Burrell-Knipe
Lady Captain
