Army Golf Club Ladies

3 1/2

Match Report

We arrived at the Army Golf Club to a very warm welcome, unfortunately that wasn't the case for the weather as it was very windy conditions. We were all keeping a very close eye on the weather, Still not knowing if the match would go ahead or not. Thankfully the rain managed to hold off, so we were able to play at least for the first hole anyway. Surprisingly we all managed to finish the round dry and just a little wind burnt.

It is always a good match against the Army golf club even more so off handicap as their ladies are very tough opponents especially on their home turf. Pairing our new and upcoming talents with our AGA members and well-seasoned team player, allowed us to give the opposing side more of a competition.

A big thank you goes to the Army GC ladies for their hospitality as always and not forgetting the club staff for always providing excellence food and service. The green keeps for keeping the course in good condition despite the gales and rain we had on the days leading up to the match. Also, a massive thank you to Anita, our super sub who was kindly loaned to us for the day from the Army Golf Club.
