Welcome to Sunny Valley

“From one service member to another, welcome to your home away from home.”

My name is Daniel Lorenzo, a proud member of the Spanish Armed Forces and the owner of this apartment. It is my great pleasure to offer this retreat to my fellow colleagues from the British Armed Forces who share a passion for the noble game of golf. Sunny Valley is a 2-bedroom apartment designed for those seeking the perfect balance between sporting excellence and Mediterranean relaxation. Located within the prestigious Valle del Este Golf Resort, our home offers an unparalleled experience in one of the sunniest regions in Spain.

Strategic Location

We are located in the heart of Vera, Almería, Spain, integrated into a natural environment where silence, the peace of the desert landscape, and the imposing silhouette of the mountains are the main characters of an unforgettable stay.
